# Violet Flame Meditations

To get the most out of your Violet Flame Meditations there are some very helpful things that you can employ. To begin sit in a comfortable position, with your spine naturally straight. Take a few relaxed, deep calming breaths through your nose, and begin to drop into your body.

The following things to be mindful of can create the most astounding results in your practice. There is no perfection needed here. Just do the best that you can, and you can manifest truly miraculous results!

- **Surrender to Your I AM Presence-Your God Self within**
- **Be Open & Willing** - for the positive changes to take place, for the Highest Good of All Creation, and for forgiveness to take place for yourself & others
- **Have the Curiosity of a Child**
- **Be open to the Field of All Possibilities!** Open to knowing as best as you can that literally Anything is possible!
- **Be Kind & Gentle with Yourself**

The Violet Flame Meditations are pretty simple. They involve Mindfulness, Visualization & one of the most important-Using the Feeling Nature of Your Being. The Feeling Nature-also called the Somatic, is often times missed within many meditation practices. To bring the fulfillment of our Violet Flame Practice into our lives, we Feel it's effects as we are using these or any other meditations.

While you are in your Violet Flame Meditation what sensations do you feel as you are Mindful & Visualizing? There are many sensations that you can Feel, and any that you are feeling are perfect for you. Tingling, warmth, heat, cold, pressure, weight (*as in feeling lightness or heaviness*). These are just a few that you can feel with your body-temple as

you are practicing your meditation, and there are others that you can feel as well, so just stay open.

You will also feel on the emotional level of your Being. Joy, happiness, grief, sadness, anger, rage, release, forgiveness... As with your body, you can feel different emotions within your practice.

All the Feeling Nature of your Being is vital and are signals-communications from your Soul & your Beloved I AM Presence. Know that whatever is arising on the Feeling Level of your Being, and Mind (Your Mind is Somatic also!), are perfectly natural and right just for you, even if there is discomfort in your practice.

*All of these meditations while simple, are very powerful!*  
*These meditations, as with any use of the Violet Flame are Organic-*  
*they are meant to change & move With You.*

### **Very Important-Do Not Practice Any of These Meditations While Driving!**

#### **Meditation 1:**

##### **Visualize yourself within a Sphere of the Violet Flame.**

This Sphere surrounds your entire Auric Field & Body-Temple. What does it feel like within this Sphere? How is the Violet Flame moving within this Sphere? Is the Violet Flame moving upwards, downwards or swirling? Does it move just like a fire does? Are there sounds that you hear (*Rushing wind, crackling fire, or any others?*) Again, remember the Feeling Nature. What sensations, emotions & even thoughts are arising? Just be aware of what is arising. You do not have to focus on any one thing. Just your awareness is more than enough. Allow the Violet Flame to clear, heal, release.

#### **Meditation 2:**

Similar meditation as before. With this one you can include those in your life, or in your past that need healing, forgiveness & release. You can also extend your Violet Flame Sphere to include your Ancestors. Personally, I have experienced relationships that were stuck and would not move on or release; or relationships & people that needed forgiveness, become much easier to release & forgive-bringing freedom to Everyone! Ancestors that have been tethered to this Earth & unable to move on; or Ancestors that are creating problems in our lives, are naturally healed, taken into the light and Freed!

### **Meditation 3:**

**A Waterfall of the Violet Flame.** Visualize yourself underneath a waterfall of the Violet Flame. See, Feel, the Violet Flame washing down over your entire Body-Temple, your Aura & Body of Light, All of you. What do you see, what do you feel as you are under this waterfall?

### **Meditation 4:**

**Use the Violet Flame in the shower.**

**Be Very Careful with this one, as it can induce deep trance states of Consciousness!!**

**Be mindful if your eyes are closed, as it may create a dizziness.** Feel the Violet Flame washing over all of you. It can move downward like rain, or it can move upward as it clears. Make sure to visualize and feel the Violet Flame washing over your Aura & your Body of Light also. Also allow the Violet Flame to wash through your spine & your Shushumna (*Your Central Channel of Light*).

### **Meditation 4:**

Feel yourself immersed in a pool or an ocean of the Violet Flame. Visualize & Feel the Violet Flame healing & clearing your body-temple, your aura & body of light. Here too you can include your loved ones, past relationships, challenges, ancestors within this pool or ocean of the Violet Flame.

You can also make a bath for yourself, then charge your bathwater with the Violet Flame. Water is highly conductive, and easily programmable! A simple prayer of just your intention is more than enough to charge your bath with the Violet Flame. Use your bath as you would with your visualization & feeling with a pool or ocean of the Violet Flame.

### **Use the Violet Flame throughout your day**

You can begin with a short prayer calling in Yeshua, Christed Ascended Master Saint Germain & the Sacred Fire Violet Flame, and your Christed Ascended Masters; first calling to Archangel Micheal for protection. Then throughout your day the Violet Flame will continue to work for you, within and around you. This happens whether you are conscious of it or not, as you have already made the call for the Violet Flame. You can also bring your Consciousness to the Violet Flame through your day and see, feel it working with you. It becomes incredibly joyful and even more powerful when you are consciously using it in any of the ways previously described or in your way of choosing to use it!

These are just some meditations on how to use the Sacred Fire Violet Flame. Be creative and come up with your own Violet Flame Meditations that are special just for YOU.
