

Treatment for Healing & Releasing

Deceased Loved Ones

& Ancestors

Honoring of Free Will

This is absolutely imperative! We Always need to honor the Free Will of another Soul, and all Souls in Human Embodiment. This includes their entire Being, Soul, World, Body-Temple & Consciousness. It also includes their entire Soul-Stream & Soul-Blue Print.

This is a Law of Nature-Of Consciousness Itself! It is also to honor any and all lessons and Soul-Contracts that the Soul has taken on-in any level or dimension of Consciousness. These Lessons & Soul-Contracts are purposefully Created by the Soul itself and its highest Divine Helpers to continue to evolve, reach higher states & dimensions of Consciousness-and to ultimately re-unite with the One Nature of Consciousness Itself.

How to Do This

We can call to the Soul's Higher-Self (*The higher nature of a Soul*). We can call to the Soul's I AM Presence (*Their Eternal God-Self*). Or we can call to both their Higher Self & I AM Presence.

We simple ask if it is *Highest Wisdom*, and if you have the *Permission* to perform the Healing Treatment that you are wanting to do for them.

Then you Listen, Feel, Sense or Visually See for the answer to this question. If you have awakened intuition then the answer can come in the forms of Inner Sight, Inner Hearing, Inner Feeling, Inner Knowing, etc... You can also use muscle testing or you can use a pendulum to receive the answer.

Note: If you are doing any of these Prayer Treatments on-behalf of someone else, the aforementioned would apply to out-of-body Beings as well. This includes your deceased loved ones, your ancestors, a group of people, an organization, or a Soul in need who you feel would benefit from a Healing Treatment

Inclusion of Beings (Deceased Ancestors & Ancestors Not of the Light) & Astral Shells

Note: When doing this prayer for another replace the yourself with their name, and “I/My” with “Their”.

*This is a Treatment for Myself (Insert your full name or the Loved One whom you are doing this healing treatment for)
The Holy Spirit, Lord Sananda, Jesus Christ & Divine Mother now shine the light of truth and wholeness upon all of My Deceased Loved Ones (Insert Name/s of your/their Deceased Loved Ones) and all of my ancestors that are not of the Christ and that are not of the Light and who would limit my wholeness in any way- and all astral shells, thought-forms, supporting thought-structures, and belief systems, and all the thought-worlds within them that were developed with my deceased loved one/s (Insert name/s of deceased loved one/s here) and all of my*

ancestors that have been limiting my wholeness in any way, and upon everything and everyone here concerned.

longing to go into the Light and Reunite with their Beloved God-Self Now-And all of these astral shells, thought-forms, supporting thought-structures, and belief systems, are merely distorted structures of thought. Their size, depth, strength, or length of duration are as nothing before the healing power of the Holy Spirit, Lord Sananda, Jesus Christ-The Christ consciousness and Divine Mother.
